PREFACE

This publication is an attempt to meet the continuous demand for statistical data on Local Government/Local Council Development Areas of Lagos State. It features data on ten (10) key Sectors of development comprising Demography, Manpower, Education, Health, Economy, Housing & Community Amenities, Social Protection, Environmental Protection, Recreation, Religion & Culture and Public Order & Safety. The data are provided for Year 2012 and covers all the Twenty (20) Local Government and Thirty seven (37) Local Council Development Areas in the State to facilitate easy comparison among the Local Government/Local Council Development Areas.

The publication would be found useful by Researchers, Students, Planners, Policy Makers and all those who are interested in Local Government Statistics. The scope of the subsequent edition of this annual publication will continue to be widened to cover more Socio-Economic data on Local Government/Local Council Development Areas. We wish to express our gratitude to the officials of the Local Government Areas and all Agencies that responded positively to our request for data featured in this publication. We also hope that users would find the publication useful. Constructive criticisms and suggestions for improvement are however welcome.
