PREFACE

This publication makes an attempt to meet the demand of individuals and organizations on Transport Statistical data. This edition features data on four (4) main components of Transportation across the State and Federal Transport related Agencies with Lagos State specific data comprising Road Transport Statistics, Water Transport Statistics, Air Transport Statistics and Rail Transport Statistics.

The Publication would be useful by researchers, academia, students, planners, policy makers and all those who are interested in Transport Statistics. The scope of the subsequent edition of this Annual Publication will continue to be expanded to cover both State and Federal related Transport Agencies that were not captured in this edition.

We wish to express our profound gratitude to all State and Federal Transport related Agencies that had responded positively to our data request that featured in this year edition of Transport Statistics Publication. We also hope that statistical data users would find the publication useful.

Constructive criticisms and suggestions for improvement are however welcome.
